Address Service Requested

April 1, 2019

Dear SUAA Member:

It's that time of year again when SUAAction contacts the members of SUAA to make a contribution! What is SUAAction? It is the political action committee (PAC) that works hand in hand with SUAA identifying legislators whose commitments and votes are closely aligned with the goals of our SUAA membership. Increasingly, this alignment extends to the Executive Branch of State Government. Steps to success start at the beginning – with grassroots contacts. Over time opportunities develop to get to know legislators and their staffs at a closer level. Interactions at fundraisers turn into advantages that are priceless.

This is what SUAAction does – builds relationships by a method that is prohibited to SUAA. SUAAction cannot receive any membership money from SUAA. SUAAction was formed to use your voluntary contributions to support SUAA's goals. A membership in SUAAction is separate from the SUAA membership. We urge you to be a member of both.

As a contributor to SUAAction, you can request to attend your local legislator's (or legislative candidate's) fundraiser. You can even attend events supporting a candidate for an executive office. Participation in these events strengthens the impact of our members meeting with elected representatives in their State or district office.

Linda Brookhart and John Carr attend the weekly Springfield fundraisers to assure that SUAA is recognized. They don't miss an opportunity to speak for you! During this election year, SUAAction becomes even more important as the SUAAction board selects which legislators' campaigns to provide with funds from our members' contributions.

Your contributions provide the resources for SUAAction to fund these opportunities! Our SUAAction Board of Directors has set a goal of raising \$275,000 this year. Contribute now to keep your SUAAction membership active. Never been a member? Now is the time. It is an election year! Help SUAAction make a difference!

On Behalf of your SUAAction Board
Louis E. Anderson, Chair
